

Troubleshooting - Rhythms Magazine App & Digital Edition for the iPad

Q: The current issue is not appearing in Newsstand

A: Reinstall the Rhythms App

Before you begin, make sure you have the most up-to-date Operating System.

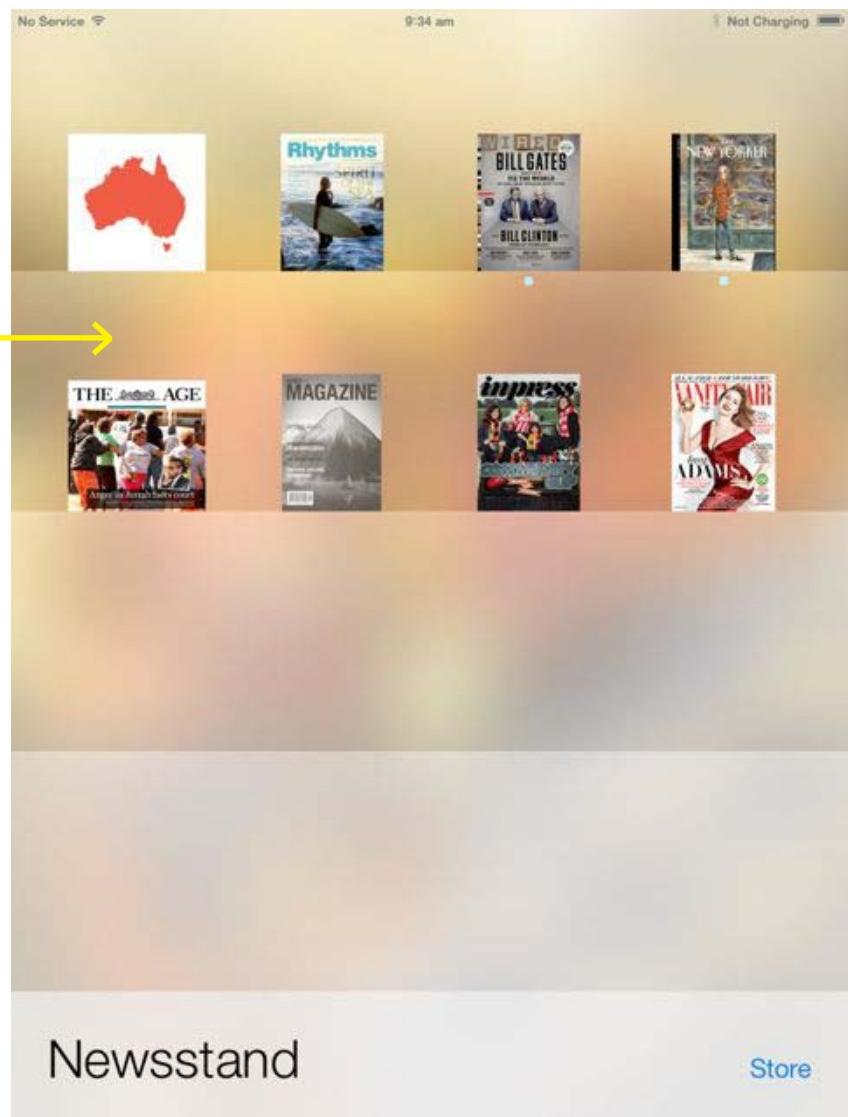

Visit Apple Support here: <http://support.apple.com/kb/ht4623> if you need steps to do that.

1

Back up your device to iCloud or iTunes.

2

Open Newsstand on your iPad

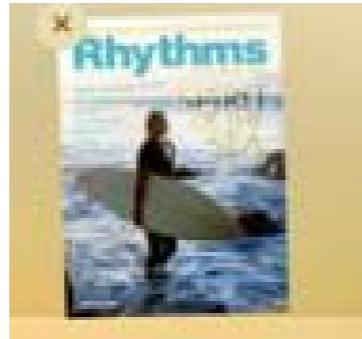

Rhythms
33^{1/3} Revelations Per Minute

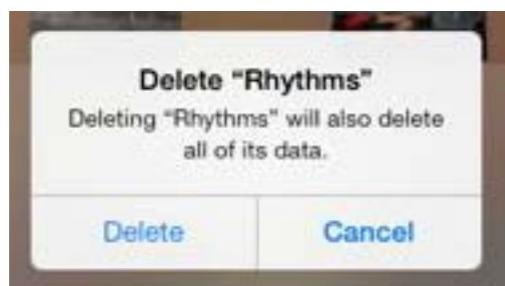

Q: The current issue is not appearing in Newsstand

A: Reinstall the Rhythms App

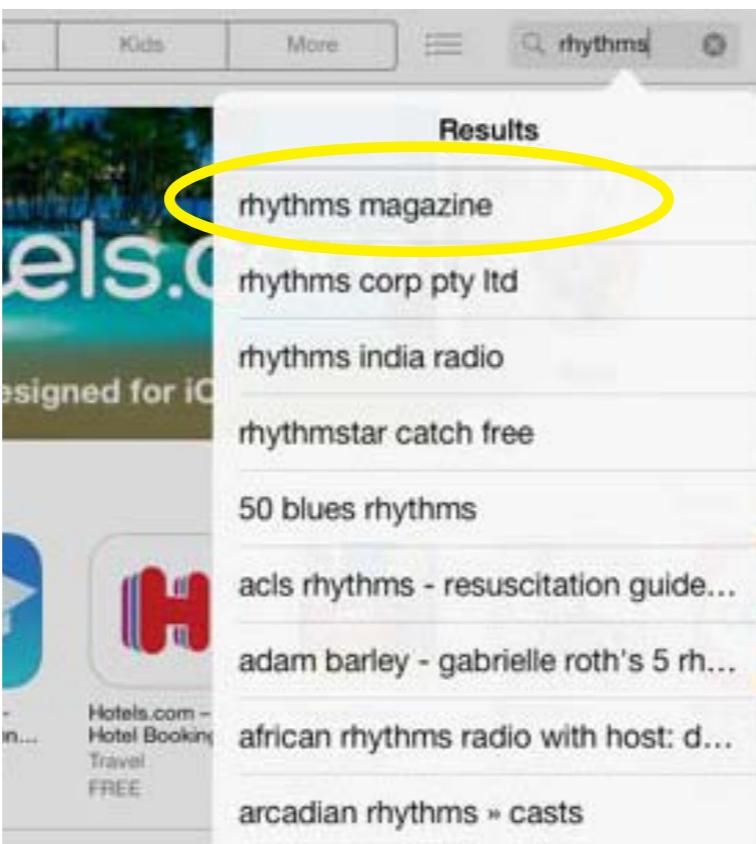

- 3** Hold down your home key until the apps start wiggling on the screen & x's appear

- 4** Press the X and delete the app. (iTunes remembers your purchases, so you won't need to re-purchase any magazines or subscriptions.)

- 5** Go to the App Store. Search for Rhythms Magazine.

Q: The current issue is not appearing in Newsstand

A: Reinstall the Rhythms App

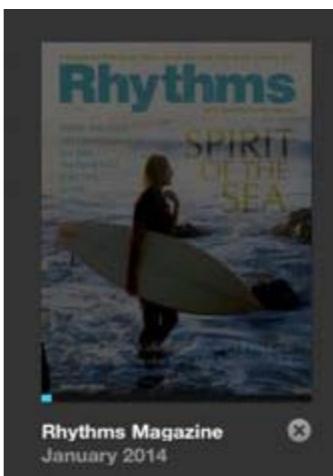

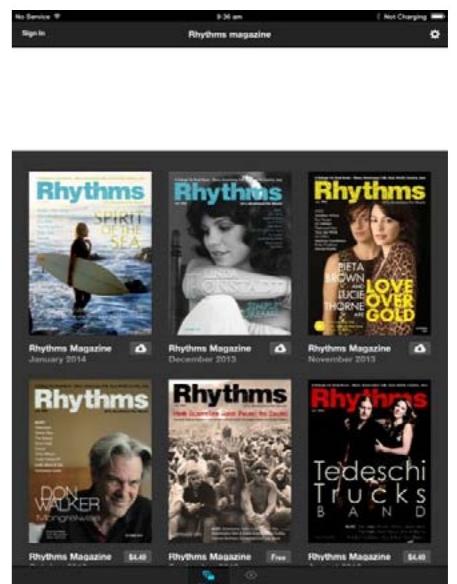

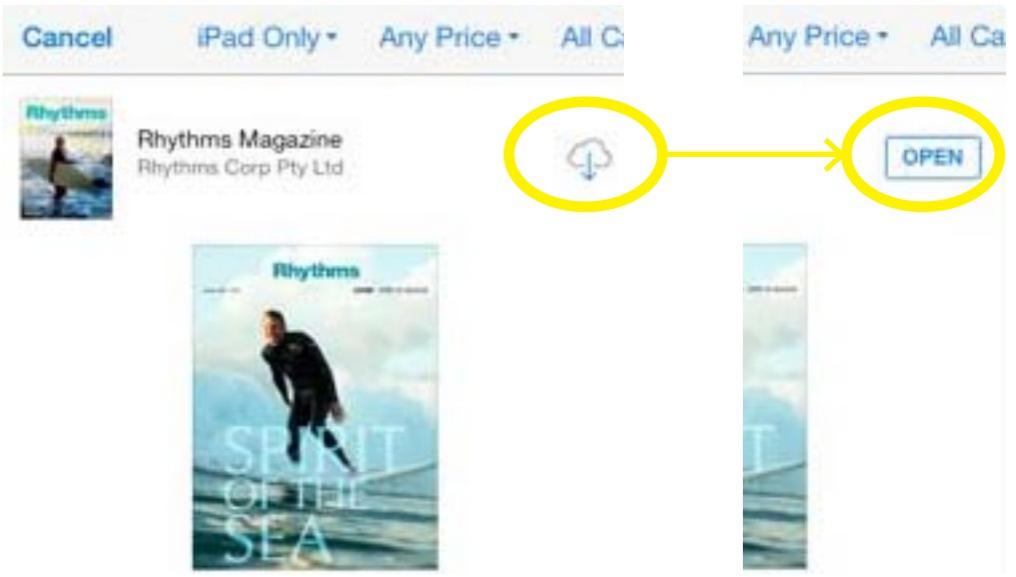

- 6** Click on the Cloud (if you've backed up to iCloud) or press +FREE .

It will download the app again. Then press open.

- 7** The Rhythms app will open, then the magazine selections.

Click on the one you wish to read - either the Cloud icon or DOWNLOAD.

It will begin to download. Some issues are larger than others, depending on the audio and visual content included.
